ABOUT ME

Dedicated customer-focused professional with experience in providing excellent customer service. Having honed my communication and problem-solving skills in this field over the past ten years, I am now eager to transition into the Information Technology role. I believe that I can leverage my technical abilities and my passion for technology to help users resolve their issues. I recently completed my bachelor's degree in Information Systems, which equipped me with a strong foundation in areas such as database management, programming, and network security. I am looking forward to applying my knowledge and skills in a dynamic and challenging environment, where I can continue to learn and grow in my career.
